PROFILE

Expecting to build long time and sustainable career in the industry of Data Science and Analytics. I am practicing creative problem solving and getting exposure to multiple projects, and I would like to contribute to the collaborative environment on which your company prides itself.

EDUCATION

BSC in Computer Science and Engineering

University of Information Technology & Sciences

2017 - Ongoing Dhaka, Bangladesh

EXPERIENCE

Senior Executive

UITS Computer Club

2018 - Ongoing

Introduced students of UITS with Startups and Entrepreneurship by building up the 'UITS Entrepreneurship & Startup Wing' under "UITS Computer Club". Successfully organized multiple events including 'Student to Startup'(chapters 1 &2), 'Zero One Fest-2 & 3', and others where more than 1800 participants were present.

Microsoft-YoungBangla Intern

I was privileged to introduce myself with up to date technologies and lead a team towards successful completion of the program in Microsoft and Young-Bangla collaboratively organized internship. Unlike other internship programs, the one with Microsoft Bangladesh aims to provide students and ICT enthusiasts with short-term placements.
